

DENTAL CONSENT

Once your pet is under anesthesia, the doctor will perform a complete oral exam and carefully check the teeth and gums. During this comprehensive oral exam, the doctor may find one or more teeth that need to be extracted for health reasons.

Should any unforeseen dental procedures be necessary and desirable in the veterinarian's professional judgement:

_____ I prefer that you proceed with all necessary dental procedures.

_____ I prefer to be called before any additional procedures, other than emergencies. If I cannot be reached, I authorize you to proceed with all necessary dental procedures.

_____ If I cannot be reached by phone, I do not authorize any unforeseen dental procedures.
